

Minutes of the Springbrook National Users Group  
Annual User Group Meeting  
May 6, 2015  
Springbrook Software Conference – Portland, Oregon

The meeting of the Springbrook National Users Group (SNUG) was called to order on May 6, 2015 at 8:09 am Pacific Time at the Portland Hilton by President Pamela Arends-King . Other board members present were Julie Interrante and Rhetta Hogan. Stacey Barrett, SNUG Association Manager was also present.

The first item of business was elections. Pamela Arends-King announced that members should be sure to get a ballot at the door. She indicated that members will be voting to elect 2 directors for the SNUG board. There is one vote per organization.

Pamela Arends-King also talked a little about what the board has been doing for the past year, and said we would show them the new SNUG web site later in the meeting.

Rhetta Hogan presented the annual financial report. She discussed that revenues were primarily membership dues and that the expenses were on track and covered managed services, the website, and other budgeted expenses. She went on to highlight more than ever it is important to be a member of SNUG with the future Springbrook, now part of Accela company. That membership is reasonable that as an organization we can help articulate the future vision from the SNUG perspective, with the liaison roles.

While the ballots were being counted Steve Rementeria, CEO of Springbrook Software, discussed the merger/accusation between Accela and Springbrook. He encouraged users that are not members of SNUG to become members.

After the ballots were counted, Pamela Arends-King announced the following votes:

Heidi Bova -14 votes

Hubert Wenzel -13 votes

Pamela Arends-King introduced the new board members and adjourned the meeting at 8:41 a.m.

Respectfully submitted,
